

Bioinformatik

(Orga and Outlook)

Marc Hellmuth

Lecture 1 - Orga

Orga

- www.math-inf.uni-greifswald.de → **Lehre** → **Bioinformatik** → **Teaching Homepage**
- Weekly Lecture - Monday 2.15pm - F.Mehring-Str. 47/48 - SR4
- Weekly Tutorial - Thursday 12.15pm - F.Mehring-Str. 47/48 - SR4
(starts on 14.04.2016)
- 6 Credit points if
 - $\geq 50\%$ of homework-stuff is correct + active participation in tutorials
 - you pass the exam

Orga

Lecture and Tutorial will be in German (4 times) and then in English.

Exercises:

Teaching Homepage

Deadline date given on exercises-pdf's.
Hand it to me before the lecture starts.

First 4 tutorials are by Stefanie König and then by Nikolai Nøjgaard.
In case you have questions regarding the exercises write them an email (see Teaching Homepage).

After Nikolai has started, write your answers in English!

Orga

There are lecture notes by Anna Feldmann (Uni SB) (see homepage),
without the guarantee of completeness or correctness.
